5. Supportive – You’re given plenty of personalized support, starting with your application here. Every student’s situation is unique and we try to find answers for everyone.

6. Personal – You will never be an anonymous student here. There are counselors in the faculties and in the International Office, who are on hand to help you in any way you need. Additionally, international student organizations provide study support as well as social events.

7. Communicative – International students are invited to attend German-language courses before they commence their studies. For our English-language Master degree programs you do not need to speak German, but a little knowledge of the language will help make your stay here more comfortable.

8. Comfortable – Paderborn offers high-quality student housing at reasonable prices. The International Office supports you in finding a place to live that meets your needs.

9. Practical – The companies located in and around Paderborn offer numerous opportunities for internships as well as topics for a thesis conducted in cooperation with the university. We will help you gain your first job experience during your studies.

10. Fair – All students have equal opportunities at Paderborn University. There is very little hierarchy between students and professors. Students are expected to be independent and to manage their own course of study. You will easily receive the support you need if you come prepared and motivated.

10 GOOD REASONS FOR PADERBORN UNIVERSITY

1. Professional – We are not only interested in ensuring you successfully complete your degree. Finding a good job is just as important. Our network with companies and research facilities in the region and beyond will provide you with opportunities during and after your studies.

2. Affordable – There are no tuition fees in North Rhine-Westphalia, Germany, not even for international students. Our state-funded system offers a very good standard of higher education. Although a degree is easy on your finances, it is not as easy on your brain: you will need to study hard!

3. Compact – A campus university means that you will find everything you need (library, housing, cafeteria, shopping, entertainment) within walking distance.

4. Safe – No one gets lost in Paderborn: it is a safe and tolerant city. Most people can communicate in English and are happy to help you. You do not need to worry about walking home alone.
Life.

Computer Engineering affects your daily life. These are just a few examples of how Computer Engineering can be found in your daily life:

- As modern high-tech prostheses
- Multimedia systems, or medical devices
- The brake assist system in the car
- You can trust the accuracy of time signals from GPS satellites
-的 brake assist system in the car
